D.AI.SY

DEC 15
TARGET LAUNCH

WHAT IS D.AI.SY?

An Equity **Crowdfunding** model within **Financial Technologies**. (FinTech)

D.AI.SY is a **Decentralized Finance Application**. (DeFi App)

D.AI.SY is a **Smart Contract** that operates on the **Blockchain**.

D.AI.SY is a **Global Community** not a company.

D.AI.SY offers **profit rewards** and **stock equity** to all Members.

Crowdfunding is used to **capitalize** the **D.AI.SY** advanced AI Project.

WHAT IS D.AI.SY AI?

A **decentralized Artificial Intelligence technology** developed by EndoTech.

D.AI.SY AI is the **next generation** of AI trading.

D.AI.SY AI will increase current AI performance **by a factor of four**. (4x)

D.AI.SY AI is the first project capitalized by the **D.AI.SY Crowdfunding Project**.

D.AI.SY rewards 85% of trading profits to **D.AI.SY Members**.

D.AI.SY AI is EndoTech's vehicle to become a **publicly traded company**.

WHAT IS ΣNDOTECH?

The **primary technology partner** for the **D.AI.SY Crowdfunding Project**.

A **Global FinTech company** specializing in advanced **AI Trading Technology**.

EndoTech has published a roadmap to become a **publicly traded company in 2022**.

EndoTech currently provides proprietary AI Trading Technology to **Financial Institutions**.

EndoTech has a proven track record of **high-performance results**.

Founded by **Dr. Anna Becker** and operated by **top AI Scientists**.

Her deep-learning algorithms manage **over 1 Billion dollars of investment** (AuM) and have been deployed in managing institutional monies for more than a decade.

Her teams of AI scientists have **more than 20 proprietary AI systems in operation** and serve as the AI investing backbone of trading at **more than 150 investment firms across the United States, Europe and Asia.**

At the age of 20 Anna found an approximation algorithm by a factor of two, which now has **wide applications in operating systems, database systems, and VLSI chip design.**

Worked with CME/CBOT, FCM's and other participants of **Futures and Commodities eco-system**, to promote algorithmic trading platform to retail and institutional clients.

Following her PhD in Artificial Intelligence at the elite Technion University, **Dr. Becker has founded and sold several AI companies in the FinTech space** and is now the founder and CEO of Endotech.

Her publications have been distributed in the leading AI financial circles across Europe and America, and her Machine Learning systems have been integrated into the some of the world's largest and most successful banks and funds worldwide including Dragon Holdings to MFGlobal.

Financial Commision Appoints Dr. Anna Becker to its Dispute Resolution Committee (DRC)

February 20, 2017 – Hong Kong & New York: Financial Commission, a leading External Dispute Resolution (EDR) organization, operated by FinaCom PLC, servicing online brokerages and technology providers within the financial services industry, today announces the appointment of Dr. Anna Becker to its Dispute Resolution Committee (DRC).

With more than 20 years of senior leadership and innovation in retail brokerage and finance organizations, Dr. Anna Becker brings a diverse set of skills to Financial Commission's DRC.

Anna has core experiences in founding retail software solutions and building retail brokerages. She has proven expertise in bringing new technologies like big data systems, behavioural systems and automation to drive innovation in retail trading.

Dr. Becker's early entrepreneurial successes range from founding Strategy Runner (Sold) to driving growth in established organizations (MF Global, Gilboa Fund). Lately, she founded Sherpa to provide new technologies and services to retail financial institutions. **As an experienced executive and change agent in retail finance, Dr. Becker has worked with more than 300 brokers and has served as the compliance officer with regulators like the NFA and CFTC.**

Dr. Anna Becker holds MSc degree in computer science and PhD degree in AI from Technion (Israel). She is also an author of several books on Artificial Intelligence and has deep experience in algorithmic investment solutions.

Enhancing the DRC structure

Dr. Anna Becker is the latest industry expert to join the Financial Commission's DRC – which consists of a diverse panel of industry professionals who follow a non-bias process to process and resolve complaints from member's clients.

Financial Commission Chairman, Peter Tatarnikov, said regarding the appointment, "Dr. Anna Becker brings a deep understanding of the online retail brokerage industry to Financial Commission's Dispute Resolution Committee. Her proven track-record in FX technologies and overall expertise will be a great resource to further enhance our capabilities. We are glad to welcome Anna to Financial Commission's DRC and believe that her appointment will improve, even more, our existing dispute resolution process"

More than 15 years' experience in the field of Algorithmic Trading.

Expertise in **pattern recognition** and the development of **complex mathematical algorithms**.

Dmitry has a **proven success record in business development**, public relations and online marketing for the FinTech and AI/ML sectors for more than a decade.

A **Chess Grandmaster**, three-time Israeli Correspondence Chess Champion.

A **National Team Member** in the World and European Championships as well as the Olympics.

Dmitry holds an **B.Sc. in Physics and Planetary Sciences** and an **M.Sc. in Astrophysics** from Tel Aviv University.

Dmitry **has been published in the largest professional organizations** for electronic engineering worldwide.

Dmitry's **leading-edge technology** is utilized in his multiple innovative system patents designed utilizing the Fibonacci sequence, Golden ratio and Fractal geometry.

ROADMAP

HOW DOES THIS WORK FOR ME?

The Referral Plan will fund \$10,000,000 for D.AI.SY's new AI Development.

Up to 10 Crowdfunding Packs to choose from, **starting at only \$100.**

Every contributor gets an equal **share of 5% of EndoTech stock.**

50% to 70% of each pack is used in **live trading.**

70% of the trading profit is rewarded back to the **contributor.**

15% of the trading profit is rewarded to the **residual referral plan.**

All Members can participate in the D.AI.SY Referral Plan.

The Referral Plan rewards **up to 46%** of each Crowdfund Pack.

CROWDFUND RECAP

Legal Disclaimer:

Purchasing the Daisy Crowdfund packages is a contribution to the equity crowdfund for the Daisy AI development and not a trading investment. EndoTech is issuing both shares of stock in the company and profit sharing from trading results, to each contributor as crowdfunding rewards.

Prior to EndoTech going public, shares of EndoTech stock will be rewarded to each Crowdfund contributor. Stock certificates will require KYC verification of each member's legal identity before any shares of stock can be rewarded. In the case that EndoTech does not go public, the equity will be converted into dividends for each member.

The trading accounts will be used for the purpose of testing and developing. Past performance does not guarantee future results and is for informational purposes only. Historical performances shown are also the result of compounding profits. Profit rewards are contingent upon profitable trading performance and results are not guaranteed.

All performance will be visible with full transparency to each crowdfund member.
